

Genie House

Handcrafted Lighting Fixtures

Welcome to Genie House

Family owned and operated since 1967.

Our skilled craftsmen and women create each piece using hand tools and their imaginations. Customization to suit clients' needs is second nature to us and we take pride in making sure our clients' dreams become their reality. Beauty and elegance are a trademark of our diverse line of fixtures that grace countless homes and establishments around the world.

Genie House...

*a little piece of the past, lighting your way into
the future.*

- We use **ONLY** brass and copper in construction, which allows a living finish.
- All finishes are hand applied and will vary. Our finish process is achieved using environmentally friendly chemicals that accelerate the aging process.
- Oxidation may occur in certain environments, however the finish will blend and darken again.
- All finishes will change and darken over time.
